## Conroe Independent School District Student and Parent Agreement for Enrollment in Advanced Courses Honors, Pre-AP, AP, Dual Credit

CISD encourages all students to enroll in available advanced placement (AP) and Pre-AP classes to enhance their academic experience. Any CISD student may enroll in Pre-AP or AP classes as his or her schedule permits.

AP and Pre-AP classes offer a high degree of rigor designed to prepare the student for success in higher academic pursuits. The purpose of a Pre-AP course is to prepare students for college-level work which they will experience in AP classes. AP courses provide college-level instruction and culminate in AP exams that are designed by the College Board. Students who successfully complete AP exams may receive college credit.

- Characteristics of a Pre-AP, AP, Dual Credit class are:
  - Student-initiated learning with an emphasis on strong work ethic;
  - Rigorous academic content in AP requiring reading proficiency;
  - More depth and complexity
  - Application of content strategies
  - Consistent use of higher-level thinking skills
  - Assignments are more analytical
  - Required commitment to course inside and outside of classroom

AP courses differ from regular high school courses in that instructors use advanced curricula that is outlined by the College Board and authorized through the College Board's audit process. Pre-AP courses focus skill development, habits of mind, and in-depth preparation in a subject area that is necessary to master the skills required to achieve success in AP courses. Other characteristics of advanced courses include content immersion, a fast pace, and assessment of performance at the analysis and synthesis levels.

While we expect students to be very successful in Pre-AP, AP, or Dual Credit classes, a close look at the student's total course load and commitments to other activities should be taken into deliberation when choosing how many of these courses to take during a semester. **For some students, the best way to begin moving into these courses is by beginning with one, until they better understand the expectations and time commitments involved.**

CISD strongly believes that PreAP, AP, and Dual Credit courses provide enhanced academic opportunities for students that will assist them in future academic or nonacademic pursuits. At the same time, the District recognizes that students may experience initial surprise or difficulty in managing the increased course requirements. A struggling student and his/her parent/legal guardian should schedule a conference with the teacher and counselor in order to create strategies to be implemented over a period of time. To ensure students allow sufficient time to become acclimated to the classes and what the PreAP and AP curriculum can offer, the District expects that any student who enrolls in the PreAP or AP class **will remain in the course for the entire year**. It is essential that the student give his/her maximum effort to succeed. At the end of the first semester, administration, parents, teacher, and student may evaluate the plan established earlier in the semester along with current student progress and may make an adjustment to the student's schedule. Any change will only be made on a space available basis.
