April 24, 2018

Grand Oaks & York Parents:

[Attached is a list](#) of the 2018 summer camps offered through June & July. Every athlete, regardless of sport, that will be an incoming 6th to 10th grader is strongly encouraged to sign up for the Speed & Strength Camp that will be offered Monday through Thursday for 6 weeks starting on June 11th. The camp will begin at York Junior High and then will move over to Grand Oaks when the campus is opened on or around June 15.

[Registration for the Speed & Strength Camp can be completed online.](#)

The sports specific camps will include the following sports: Football, Softball, Tennis, Boys' & Girls' Basketball, Baseball & Volleyball. Registration paperwork for those camps can be found in the GOHS Athletic Office starting Monday, June 18. There is no online registration for sports specific camps, only Speed & Strength.

All sports camps are in the afternoon while Speed & Strength will only occur in the mornings. Kids are encouraged to attend all camps of interest but the main emphasis each summer will be focused on all future Grand Oaks Grizzlies attending Speed & Strength to become better athletes.

If there are any questions do not hesitate to email me at mjackson@conroeisd.net.

GO GRIZZLIES!
